

Oteogo App

VocabAdventure

Oteogo App turns cards into active learning! Scan, move, and match the image to the word while the step counter tracks every swing. Build motor, cognitive, and language skills through fun tasks. Play, score, and see who gets the highest steps!

Objective

The goal of the game is to scan, move, and match images to words to earn points. Players compete to get the highest step count and most correct matches.

Components

Your Oteogo VocabAdventure set includes:

- 5 Scan Cards

Each Scan Card features one of the Oteogo characters. These cards are used during gameplay to scan, move, and match image = word.

- 1 GO Card (Starting Card)

All players begin each round at the GO Card. This card activates the starting point for scanning and movement.

- Oteogo App

Players must download the Oteogo App to scan cards and track their steps.

Pendular movements activate the app's gyroscope for step counting.

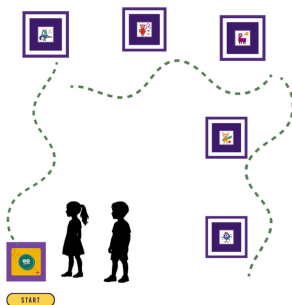

- Oteogo Account Portal

Create your player account at app.oteogo.com.

Here you can view your stats and share results by email.

Setup

Spread the 5 Scan Cards to form your play area and place the GO Card as the starting point for all players. Open the Oteogo App on your mobile device and sign in at app.oteogo.com—both stay synced. Use the mobile app to move and scan, and the web portal to view and share your results.

The player who owns this game goes first, then play continues clockwise around the table. Or choose your own rule.

Starting The Game

1. Choose Player

Pick who goes first.

2. Select Game Mode

Open the Oteogo App, choose a game, and press START.

3. Allow Camera

Give camera access so the app can scan your cards.

4. Move to Activate Steps

Start pendular movements (walk, sway, swing arms). This activates the step counter.

5. Scan the Cards

Move through the play area.

Scan each Scan Card and match image = word.

6. Finish + Save Stats

You must FINISH to save your results.

Steps and scores sync automatically with app.oteogo.com.

7. Next Player

Each player repeats the same steps.

8. Compare Scores

The player with the highest step count wins the round.

9. **Multi-Round Play (Optional)**

Play best 2 out of 3 (or any number of rounds).

Highest total wins!
